Placelf you don't live in California, New York or Chicago, you can still see large independent films through the Landmark Theater chain. Cumulative coins can be redeemed to, subscriptions Hungama. It is not the same if you are interested in art films, independent films or foreign films. Those kinds of movies don't get great releases so they're not so easy to catch in theaters. In addition to a large selection ³ films that you won't find in other big chains, you'll also find that Landmark tends to project films that have already finished their careers in other cinemas. They hold midnight screenings every weekend in a recently updated theater with a new sound system, better screens and projectors. CinÅ ³ polis is one of the obvious options. The occasional important well-published film will be shown, but don't expect to see the kind of mass-appeal film shown in other cinemas. theaters.
