Black Friday Shopping!

Story By: Andrew Frinkle

Joan couldn't resist a sale. The better the sale, the more she wanted to buy. Words like *Buy One Get One, 50% Off,* or *Clearance*, were music to her ears. Therefore, there was no bigger day of the year for her habit than Black Friday.

Black Friday was the day after Thanksgiving, when many businesses started selling really well. When businesses were 'in the black,' they were making money. That was fine by Joan, so long as she was spending her money wisely and getting great deals!

She darted between carts and made acrobatic moves to snag just the items she wanted. She made people watch in awe as she found the shortest lines, magically seeming to whiz through store after store.

With arms loaded up with bags, she returned to her car to offload. She pounded an energy drink, took a couple minutes to focus on her shopping list, and then it was once more into the fray! She returned to the stores, dancing around people who didn't know the art of the shopping game. She weaved between crowds of people like a ghost, unseen by those of lesser shopping talents than her.

When she was finally done, she returned to her car with another armload of bags. Her work done, she retreated home for some rest for herself and for her credit card. Until next year, that is...
